The Manamater Store

Two Years Ago To-Day

POSSIBLY you are indifferent to the fact that we re-opened the old recognized that all historical connection would be obliterated, Stewart store for retail business two years ago to-day. It is quite and change in the world of books would be destroyed, if the natural that our store is no longer a novelty, and that it falls among the ABC plan of arrangement, according to the first letters of ordinary places with which you are perfectly familiar.

When the store began it was a curio. Public attention was marked human interest, it would be fatal to build too rigidly upon chronological with an interrogation point. What would the outcome be?

The question is answered. In spite of all the limitations of beginnings, the Public that came to inquire remained to support us with ample connection with a book like Bulwer's. The one supplements the other, business and generous contributions toward a permanent success.

Great stocks, (and we have supplied them); the best store service (and we are progressing toward it), were taken for granted in our original plan; but the whole venture was based upon a truth that was clear to us International Library of Famous Literature although denied by almost the whole New York community, namely:

TWO NIGHTS ONLY, NOV. 15th and 16th,
